HiB's Vision

*To be the leading supplier
of innovative, creative solutions
which make bathrooms beautiful,
whilst making a substantial
difference to the lives of our people,
partners and the world we live in.*

Welcome

At HiB, we're renowned for being a leading bathroom product supplier. But our expertise extends far beyond product innovation and quality. Our dedicated contracts department work with designers, housebuilders and project managers, just like you – to offer a great product and service at every stage of the buying process.

We understand that in today's competitive marketplace, having a reliable, trusted supplier who goes above and beyond to deliver truly seamless customer service for every client at all times, is key.

Our experienced team work hard to make sure that whether it's a small or a large-scale development, we can provide products for a range of settings and interior themes from contemporary to classic and everything in between. Our fresh, all-embracing approach is what sets HiB apart and gives our clients confidence that no matter what the requirement, we have the products and capabilities to deliver.

| Interior design and trends

HiB's in-house product development team keep a close eye on future trends and the latest technologies in order to develop new mirrors, cabinets, furniture and accessories which improve the lives of our customers. We work closely with a range of clients across commercial and residential developments such as:

- Housing developments
- Leisure clubs and health centres
- Hotels
- Wash facilities at hospitality and catering settings

Our experience working across a variety of projects means that our team are able to create practical, versatile product collections which complement a range of settings.

Accessibility

Designing for accessibility is key in order to cater for people of all ages and levels of mobility. HiB has a number of ranges ideal for areas where enhanced accessibility is required, offering unparalleled style, with convenience in mind.

- All HiB and HiB Novum products **meet relevant safety and industry standards.**
- Range of styles including wall hung units ideal for positioning at a height that wheelchair users can access without difficulty.
- Variety of mirror widths and heights to suit requirements.
- **Touch, wave and proximity sensors** available on selected models, for ease of use.
- Perfect for use across multifunctional residential and commercial projects.

HiB Mirror and Cabinet Technology

At HiB, we are continuously looking at new ways we can incorporate the **latest technological developments** into our designs. Our offering has evolved to include:

- Heated pads that reduce condensation on the glass.
- Colour-changing LEDs for a cool or warm hue.
- Integrated charging sockets.
- USB ports and wireless phone charging pads.
- Bluetooth connectivity.

All these features are integrated within the products, making them an ideal solution for every setting.

From contemporary wall hung units with integrated under-lights to the more traditional, shaker-style for a timeless interior, HiB Novum collections are ideal for use in a range of **residential and commercial settings**.

- Range of styles suitable for main bathrooms, ensuites and cloakrooms.
- Thoughtfully designed to include wall hung or floor standing options with shorter projection for areas with limited space.
- Stunning aesthetics designed by our in-house product development team.
- Available in a range of quality gloss and matt finishes such as white, anthracite and wood tones.
- Ready built and easy to install.

Our compact ranges have been designed with a **shorter projection**, which provides a brilliant space saving solution that is ideal for smaller bathrooms or cloakrooms.

Compact bathroom ranges

When it comes to compact bathrooms, space is incredibly important. Our HiB Novum bathroom ranges maximise the room available to provide a practical furniture solution.

- 50cm, 60cm, 80cm and up to 140cm units.
- **Shorter projection** of 37cm and 45cm to keep depth to a minimum.
- Choose from a variety of ceramic washbasins, vessel basins and countertops.
- Wide range of styles and finishes available across our brassware range.
- **Colour swatches available upon request.**
- Uncompromising storage space.
- Ideal for use across smaller bathrooms, ensembles and cloakrooms.

Cloakroom ranges

In many developments, cloakrooms are multifunctional spaces that have a variety of uses. With this in mind, HiB Novum's furniture for cloakrooms allow designers to maximise every inch of available space in a neat, flexible solution.

- Ideal for multifunctional areas across residential and commercial projects.
- Short projection depths of as little as 22cm and 24cm and widths of 40cm and 50cm, **perfect for small spaces.**
- Wall hung and floor standing options are available.

Fitted Furniture

The Genesis fitted furniture range is ideal for maximising the storage and style potential of your project's bathrooms and toilet facilities. Each of Genesis' components have been carefully designed and **manufactured for versatility and longevity**, with an emphasis on being simple to order, **fitter-friendly** and straight-forward to install.

- Available in wall hung and floor standing.
- Range of finishes, configurations and sizes.
- Carcasses are **delivered pre-assembled**.
- All fixings included.

We have also curated a selection of complementing handles, basins, bath panels and countertops to offer further customisation and help the scheme blend seamlessly into your design.

Arcane 60 Round with Genesis Fitted Furniture.

Magnifying Mirrors

Magnifying mirrors are ideal for adding a touch of luxury to any space. A statement piece in its own right, a magnifying mirror adds extra convenience and functionality, allowing end users to get up close and personal when it comes to their bathroom routine.

- Perfect for precision shaving, removing contact lenses or plucking eyebrows.
- Innovative soft-flow LED and **colour-changing illumination**.
- **5x magnification** from selected models.
- Touch switch on selected models.
- Ideal for residential and commercial bathrooms.

Accessories

On Accessories

Finishing touches can really take the bathroom experience to the next level. Designed to complement our existing portfolio of mirrors, cabinets, furniture, lighting and ventilation, HiB's accessories range includes everything from stylish towel rings to easy-clean toilet brush holders to finish off any project.

Who we are

For more than 30 years, our mission has always been to make bathrooms beautiful. But at HiB, that means more than unrivalled style. We make our products work hard for the customer, through **innovative technology** and features that create a whole new bathroom experience.

Where mirrors and cabinets were once just seen as an afterthought, we have championed their role as focal points in the overall bathroom design. Our **attention to detail** and pioneering work has made us an award-winning company for innovation, showcasing our expertise on a world stage.

HiB Corporate video

Stock availability

We have high levels of stock available at all times and can adapt to changing project timetables quickly to supply product at a time to suit our clients.

- **85,000 sqft distribution centre and warehouse.**
- We can hold small and large volumes of stock and deliver in stages to suit your schedules.
- Equipped to supply goods at short notice.

Quality Assurance and Spare parts

Quality Assurance

We ensure that all our products are of the highest quality and finish, putting every item through rigorous testing to ensure it's compliant with industry standards.

- **All products are tested** against relevant international standards and comply fully with regulatory requirements including CE Marking.
- HiB is a member of the Lighting Industry Association (LIA) and we adhere to LIA guidelines in regards to our lighting products and our quality management system.
- Aftercare Service.
- **Qualified technicians on hand** for product and fitting advice.
- Forward planning for deliveries so you know when stock will arrive on site

Spare parts division

We maintain a **high level of spare parts** to support our clients with project solutions.

Transportation

Our experienced logistics team transports HiB products across the country, ensuring all deliveries arrive safely to the destination on time.

- Fleet of 15 vehicles which covers 85 per cent of all of our deliveries.
- **Delivery direct to site**, business premises or preferred location.
- Friendly, experienced drivers who ensure deliveries arrive in pristine condition.
- We use trusted external couriers for overseas deliveries and specific requests.
- **Option for phased deliveries** to suit project timetables.
