TERRA

mineral marble vessel basins

Beautifully tactile and highly durable, the **Terra** basins are manufactured from mineral marble, which has been developed using dolomite stone and resin. Each basin is textured and finished to match perfectly with our **Terra** Countertops to create a look which is seamless, practical and also antibacterial. Choose from four finishes, White Chalk, Grey Fossil, Beige Clay and Black Charcoal.

Colour swatches are available from hib.co.uk

Key features

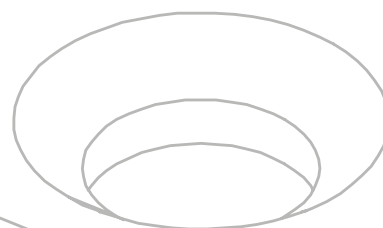

Extra white matt finish on the inside of the basin.

Textured finish on the outside while smooth white finish inside keeps the basin easy to clean.

Matching countertops with complementing textures are available.

Available in two sizes.

Mineral Marble has antibacterial properties aiding hygiene.

Terra Beige Clay Mineral Marble Basin with Atlas Wall Mounted Brushed Brass Mixer (page 54)

"Our design inspiration and ethos for the **Terra** basin stemmed from the beauty of nature, reflected in its earthy colours and textures. Our finish choices, combined with the tactile surface really conjure the feeling of stone and by utilising mineral marble, we've been able to not only enhance the durability of the basin but also reinforce our commitment to sustainability thanks to its robustness as a material."

- Jasmine Rowe, Product Designer

DEXTER

mineral marble vessel basins

The **Dexter** basin is manufactured using mineral marble, with an extra white matt finish on the inside of the basin. The Mineral Marble material has antibacterial properties aiding hygiene and the basin can also be repaired.

Dexter features overflow and taphole.

The **Dexter** Platform features an additional useful shelf space for essentials such as soap.

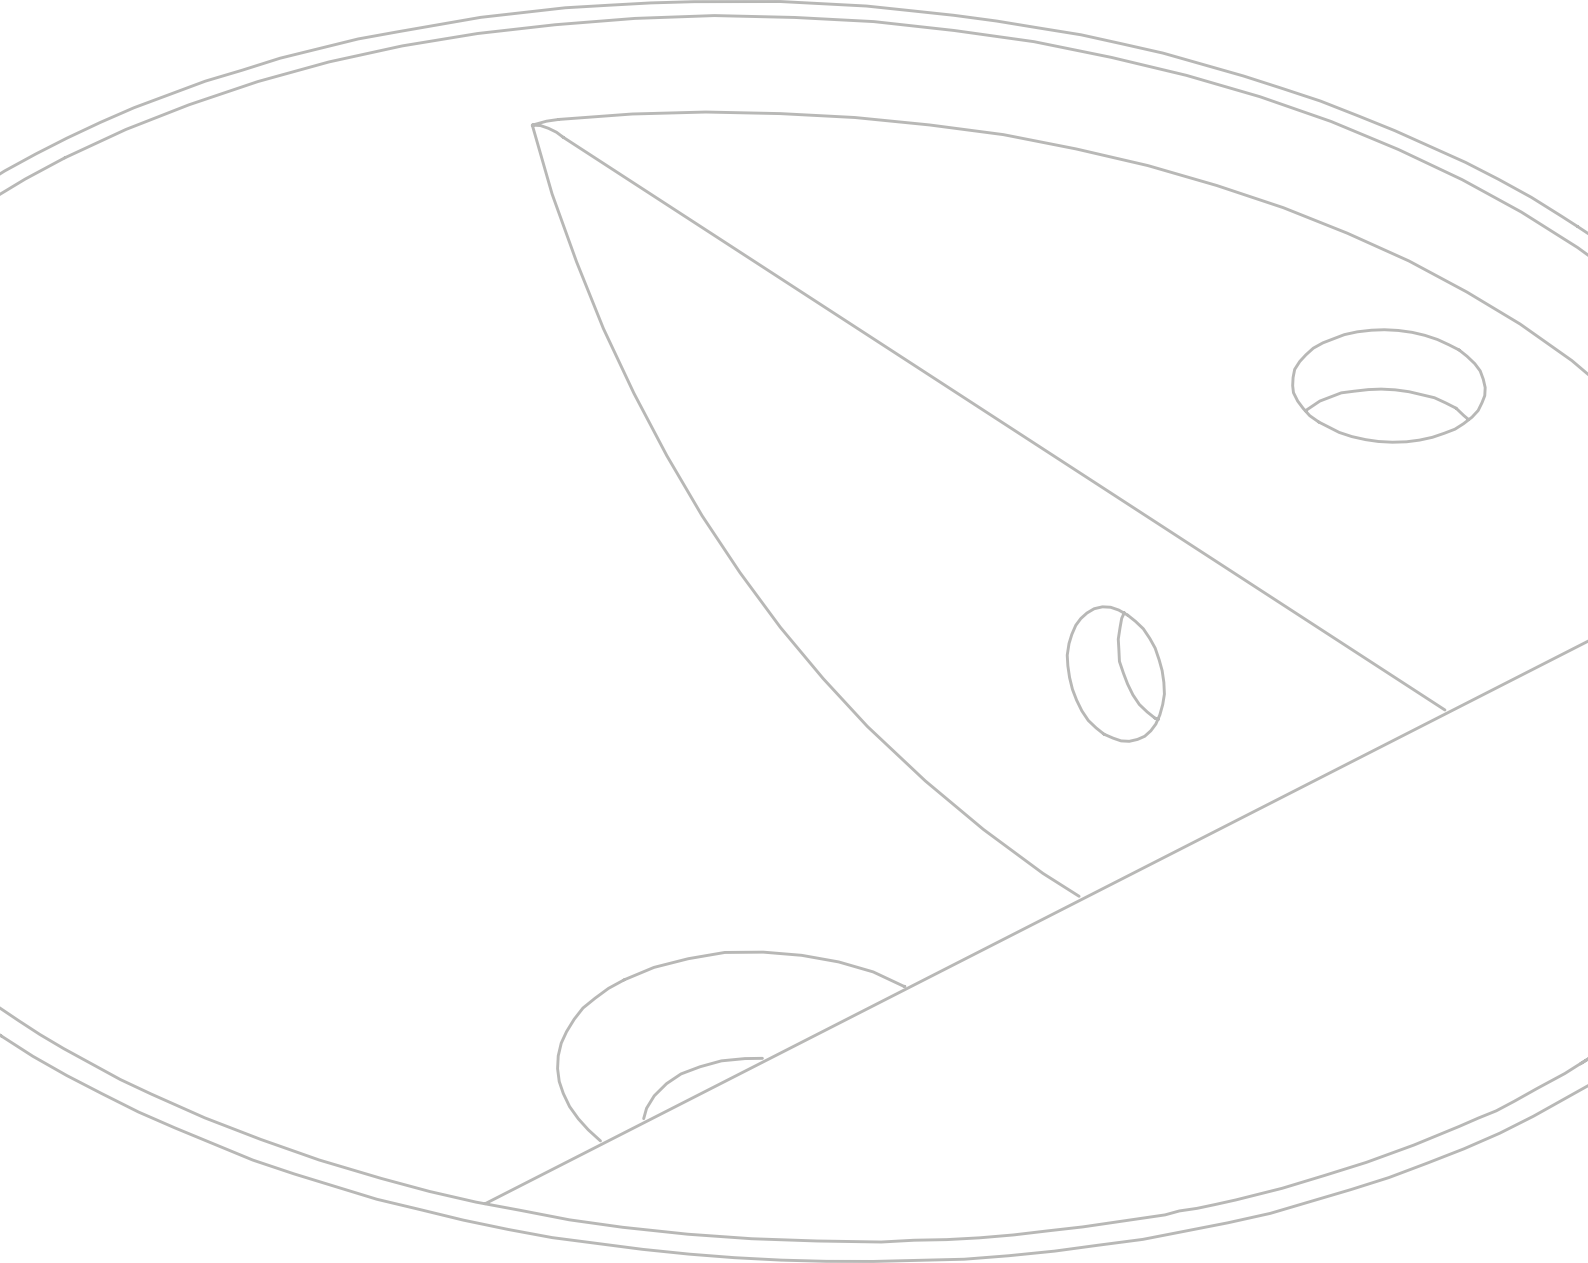

Key features

Extra white matt finish.

Features overflow and taphole.

Mineral Marble has antibacterial properties aiding hygiene.

FUNCTIONALITY AT THE CENTRE...

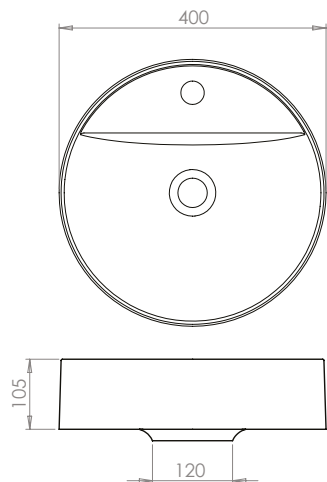

"Our aim with the **Dexter** basin was to marry practicality with elegance. Driven by valuable feedback from our customers, we found a solution which incorporates a set down space for essentials, integrated tap hole and overflow. This is a vessel basin that not only simplifies cleaning but also enhances the user experience."

- Paulina Filipiak, Product Designer

AERO

toilets

Designed in a timeless, universal style, the **Aero** range provides the ideal rimless toilet solution for bathrooms of all sizes.

Featuring wall hung, close coupled and floor standing back to wall options, with a soft close, quick release toilet seat, the **Aero** range offers a stylish and easy to clean design.

The **Aero** range also benefits from alternative hinge plate finishes that will match other accessories in the room. Chrome hinge plates are included as standard, with additional options of Black, Brushed Brass, Gunmetal and Brushed Bronze plates also available.

Key features

Easy clean rimless pan.

Quick release, soft close toilet seat included.

Chrome hinge plates included as standard.

Additional hinge plate covers available separately.

COMFORT AT ITS CORE...

"Our aim with the **Aero** toilet range was to prioritise comfort without compromising on style. The comfortable height seating position ensures a more ergonomic and enjoyable experience for users. Coupled with its timeless design, the **Aero** range seamlessly integrates into any bathroom, offering wide appeal and enduring elegance."

BRASSWARE

What is a bathroom without water?

Such an important part of our bathroom experience deserves an entrance that is stylish and demonstrates superior performance.

Our brassware range has been designed to perfectly complement your choice of furniture and enhance your bathroom design. With a broad selection of styles and finishes for mixer taps, bath fillers, wastes and traps, each with their own useful features such as cold start, you can enjoy a complete solution which co-ordinates your scheme.

ATLAS

Brassware

The Atlas range provides a modern, ergonomic design with a choice of five different finishes to suit a wide range of bathroom styles. Delivering precise control over water temperature and flow, the Atlas range is the complete solution for your bathroom.

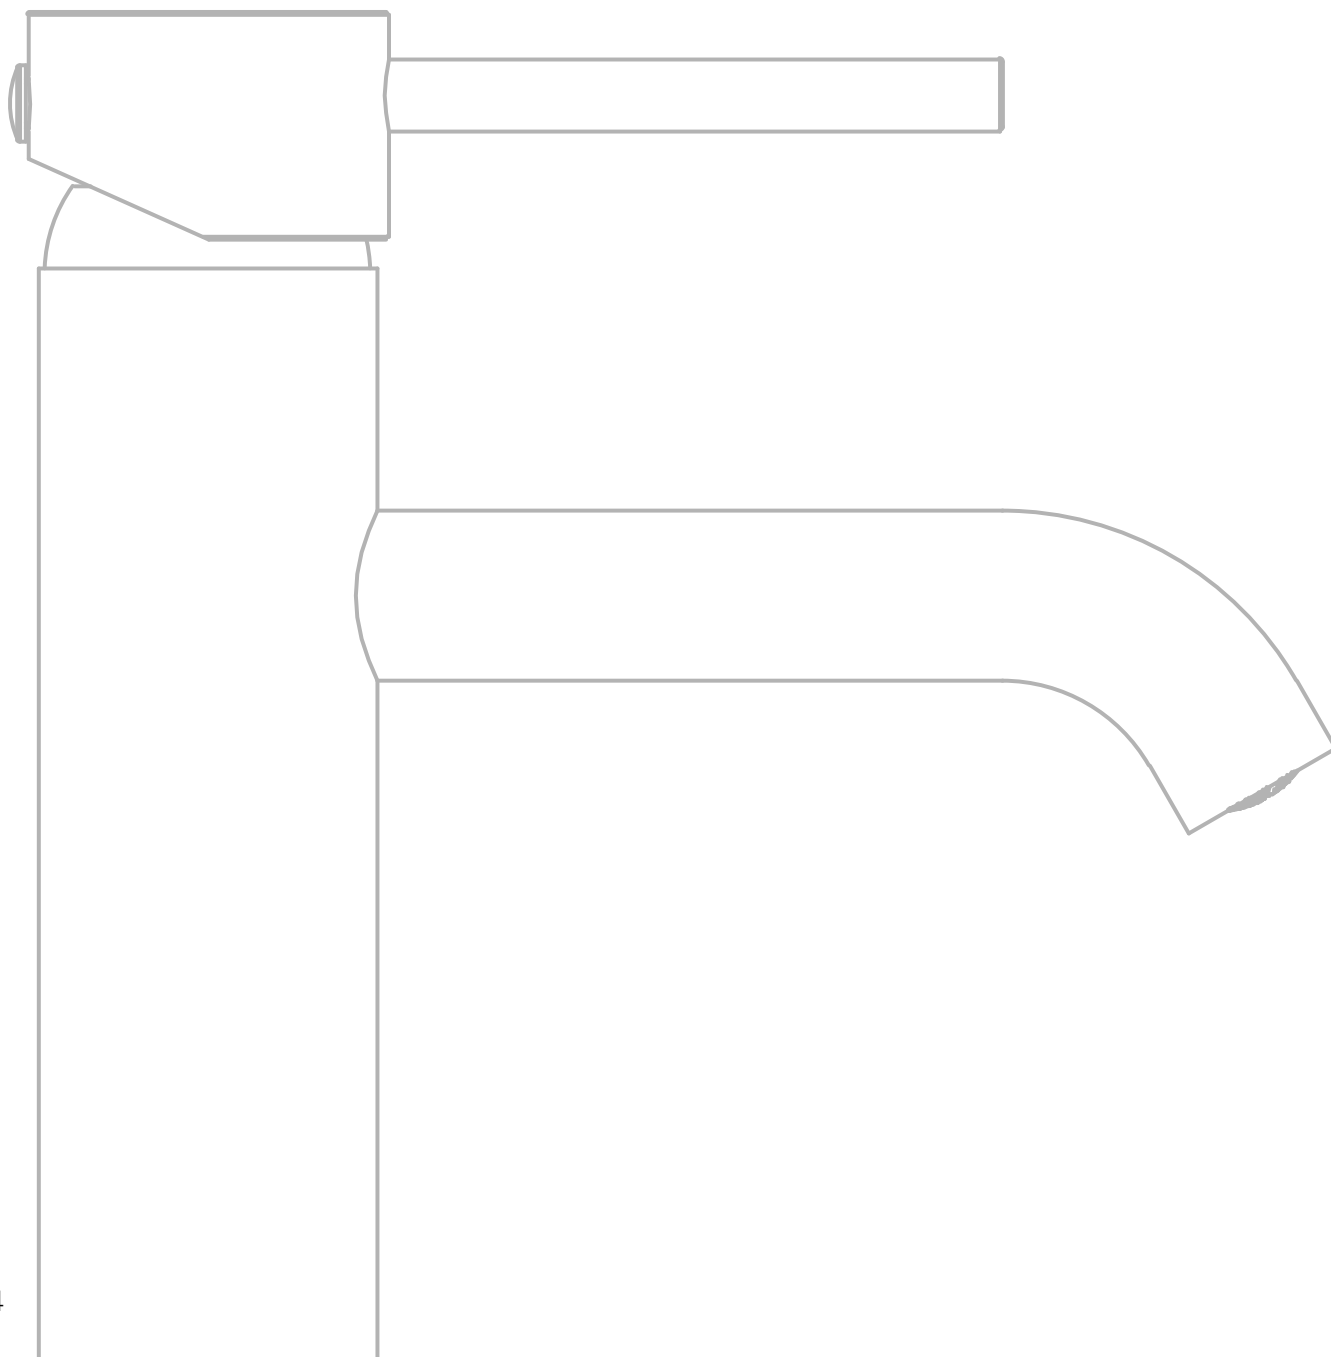

Key features

Available in Chrome, Black, Brushed Brass, Gunmetal and Brushed Bronze.

Atlas Mono and Tall Mono come with cold start feature (see page 59 for details).

Mini Mono, Mono and Tall Mono all come with matching slotted clicker waste.

CENTRAL TO THE EXPERIENCE...

"Our goal with the **Atlas** brassware range was to provide a timeless yet versatile collection that resonates with our customers' tastes. With its classic design and popularity, we've expanded the range to include new finishes like gunmetal and brushed bronze, aligning with modern trends while offering a comprehensive suite of options for our customers."

COLD START

Cold Start is a practical, energy saving feature that is incorporated into selected **Atlas** brassware ranges, making a leap in tap functionality.

HiB's **Atlas** Mono and **Atlas** Tall Mono mixers feature a full Cold Start position. When the tap is turned on, it serves cold water as standard. By turning the handle to the left, hot water can then be selected. This means that the boiler is only engaged when you need it, reducing energy and costs.

DURER Brassware

The **Durer** Brassware range exudes sophistication with its distinctive knurled handle, providing a luxurious tactile experience that adds a touch of opulence to any bathroom. Available in three finishes of black, brushed brass, and chrome, **Durer** offers a versatile selection to effortlessly complement various design styles.

HiB recommends that products are installed by fitters who are able to meet the level of competence required in order to comply with relevant regulations.

Some of the images presented in this brochure are CGI generated so may not reflect colours and textures exactly.

We recommend ordering a free colour swatch from our website: hib.co.uk.

All sizes and measurements are approximate, but we do try and make sure they are as accurate as possible and within acceptable tolerances. In the interest of continuous product development, HiB reserves the right to alter specifications as necessary.

Our products are constructed from a range of materials that are variable in nature. Paint and printed finishes may be subject to batch variation.

In the event of any issues, we stock a comprehensive range of spares and will endeavour to use this service in the first instance.

Repair kits for Mineral Marble Basins are available.

Making all the difference to your bathroom...

...with our ranges of HiB mirrors, cabinets and HiB Novum furniture.
