Having been established in 1998, Mantaleda has developed into one of the leading easy access bath manufacturers in the UK, if not in Europe.

Yorkshire Crafted

Based in the heart of North Yorkshire, Mantaleda can offer the most comprehensive range of Easy Access Rectangular Baths, Walk-In Shower Baths, Deep Soak Baths and Lift Baths, all from a single British manufacturing source.

Always Ethical

At Mantaleda, we endeavour to produce our product ranges in the most ethical manner that we can. Where possible, we source our own raw materials from within the UK and Europe, with all timber utilised being from FSC and PEFC registered suppliers. Mantaleda is also a 'zero landfill' company, with all waste and by products being screened for recycling, and the remainder used for power generation.

Accessible Quality

Quality is at the heart of everything we do at Mantaleda. We believe that everybody should be able to enjoy soaking in a bath, no matter what their physical ability or age and that is why every one of our baths are 100% fit for purpose and offer accessible bathing to all.

MANUFACTURERS OF QUALITY
BATHS FOR ALMOST 25 YEARS

WALK-IN BATHS

These baths offer an ideal solution for easy access bathing, without the need to climb in or out. An easy replacement for most standard baths, in any bathroom, our Walk-In baths offer an instant solution for those who are concerned about slips and trips.

Avrail

Available in both 1500 and 1700, the Avrail 1700 bath is the same size as most standard baths, and therefore is the ideal solution to replace an existing bath. With easy access and simple latch lock for an easy opening inward door, the Avrail is the perfect addition to any family bathroom.

Perfect for:  Mild Mobility Concerns

 Families

Sizes Available (LH & RH):
1500 x 700mm, 1700 x 700mm

LH door entry shown

FEATURES

- Low threshold step in
- Inward opening door
- Effortless gadget free, door locking mechanism
- Slip resistant base
- Dual waste for faster drainage and safety
- Both LH & RH entry versions available
- Hydrotherapy Spa and chromotherapy lights options *(see page 32)*
- Water capacity: 1500 x 700mm; 167 litres unoccupied, 1700 x 700mm; 180 litres unoccupied

Abalone

The Abalone bath is designed with the modern bathroom in mind. Whilst the 1500 is the perfect solution to where space is limited, the 1700 shares the same footprint as most current standard sized baths, making it an ideal replacement to an existing bath.

Perfect for:  Mild Mobility Concerns  Families

Sizes Available (LH & RH):
1500 x 700mm, 1700 x 700mm

LH door entry shown

FEATURES

- Low threshold step in
- Inward opening 10mm toughened glass door
- Simple, single lever door locking mechanism
- Slip resistant base
- Dual waste for quicker drainage and safety
- Both LH & RH versions available
- Hydrotherapy Spa and chromotherapy lights options *(see page 32)*
- Water capacity: 1500 x 700mm; 167 litres unoccupied, 1700 x 700mm; 180 litres unoccupied

With easy access and low step threshold, the Abalone also combines a toughened glass inward opening door with simple easy to operate single lever lock. All finished in polished stainless steel to compliment the overall contemporary look.

Cordova *Double Ended*

Elegantly designed to lend itself to luxury bathing, the Cordova Double Ended Bath is the ideal modern alternative to a standard bath.

With the option for either a right or left hand hinged door, the Cordova features an easy to use slam-shut inward opening door centrally positioned and simple latch lock for easy operation.

Perfect for:  Mild Mobility Concerns  Families

Sizes Available (LH & RH hinging available):
1700 x 750mm

RH hinged door entry shown

FEATURES

- Lower water capacity
- Effortless gadget free door locking mechanism
- Low threshold – min. 160mm above floor
- Hydrotherapy Spa and chromotherapy lights options (*see page 32*)
- Both LH & RH hinged door options available
- Water capacity: 200 litres unoccupied

Can be left
or right hand
opening

Cortega *Double Ended*

With its sleek and simple lines, the Cortega Double Ended Bath ensures easy bathing for those with restricted mobility, without needing to climb in and out of the bath.

The Cortega features toughened glass, inward opening door and is finished with polished stainless-steel elements to compliment the overall look of your bathroom.

Perfect for:  Mild Mobility Concerns  Families

Sizes Available (LH & RH hinging available):
1700 x 750mm

RH hinged door entry shown

FEATURES

- Low threshold step in
- Inward opening 10mm toughened glass door
- Hydrotherapy Spa and chromotherapy lights options (*see page 32*)
- Both LH & RH hinged door options available
- Water capacity: 200 litres unoccupied

WALK-IN SHOWER BATHS

Our Walk-In Shower Baths are a great way to ensure that bathing and showering is as simple as possible for those with restricted movement.

Avrail RV

Based on the ever popular standard Avrail 170 Walk-In Bath, the 'RV' version offers an alternative door position. With the door positioned away from the taps and wastes at the end of the bath, enabling the bath to be fitted with a standard bath/shower screen, the Avrail is able to provide a simple yet stylish solution to bathing and showering.

Perfect for:  Mild Mobility Concerns

 Families

Sizes Available (LH & RH):
1500 x 700mm, 1700 x 700mm

FEATURES

- Same footprint as a standard Avrail bath
- Simple showering with independent shower screen and bath door
- Effortless gadget free door locking mechanism
- Slip resistant base to shower area
- Dual waste for quicker drainage and safety
- Hydrotherapy Spa and chromotherapy lights options *(see page 32)*
- Water capacity: 1500 x 700mm; 167 litres unoccupied, 1700 x 700mm; 180 litres unoccupied

Abalone RV

Designed with the modern bathroom in mind, the Abalone 170RV shares the same dimensions as a standard bath, so is the ideal replacement to an already existing bath. Fitted with low step threshold and with its door positioning at the opposite end of the bath to taps and wastes, the Abalone allows for the fitting of any standard shower screen.

Perfect for:  Mild Mobility Concerns

 Families

Sizes Available (LH & RH):
1500 x 700mm, 1700 x 700mm

RH door entry shown

FEATURES

- Same footprint as a standard Avrail bath
- Simple showering with independent screen and bath door
- Simple, single lever door locking mechanism
- Slip resistant base to shower area
- Dual waste for quicker drainage and safety
- Hydrotherapy Spa and chromotherapy lights options *(see page 32)*
- Ideal for easy access showering
- Water capacity: 1500 x 700mm; 167 litres unoccupied, 1700 x 700mm; 180 litres unoccupied

Walk-in shower bath features

Perfect for where space is limited, our Walk-in Shower Baths are a great alternative to a full wet room design, where you lose the option to bathe completely. All with simple designs, these baths lend themselves to both modern and traditional bathrooms. With easy access and simple latch lock on the doors, these Shower Baths make the perfect addition to any bathroom, offering the convenience of a shower yet the relaxation that comes with a soak in the bath.

Calypso

Elegantly designed to fit into both contemporary and traditional bathroom spaces, the Calypso is a P shaped shower bath, allowing for comfortable bathing and showering space for all of the family.

With easy access and both left and right hand access available, the Calypso is crafted with care for the ultimate bathing experience.

Perfect for:  Mild Mobility Concerns  Families

Sizes Available (LH & RH):
1675 x 850 x 750mm

RH door entry shown

FEATURES

- Easy to use inward opening door
- Effortless, gadget free door locking mechanism
- Slip resistant base to shower area
- Dual waste for quicker drainage and safety
- Both LH & RH entry versions available
- Hydrotherapy Spa and chromotherapy lights options (see page 32)
- Toughened glass shower screen with bright silver pillar and handle
- Water capacity: 225 litres unoccupied

Carnelian

With a contemporary design and easy access, the Carnelian is perfect for any bathroom, making daily bathing and showering as simple as possible.

Perfect for:  Mild Mobility Concerns  Families

Sizes Available (LH & RH):
1675 x 850 x 750mm

RH door entry shown

FEATURES

- Inward opening 10mm toughened glass door
- Simple, single lever door locking mechanism
- Slip resistant base to shower area
- Dual waste for quicker drainage and safety
- Both LH & RH entry versions available
- Hydrotherapy Spa and chromotherapy lights options (see page 32)
- Toughened glass shower screen with bright silver pillar and handle
- Water capacity: 225 litres unoccupied

Highgrove

With its angular lines, the Highgrove is a modern style shower bath which will ensure an overall contemporary feel to your bathroom.

With its L shape shower screen and bright silver pillar and return, this bath is perfect for any bathroom needing an update.

Perfect for:  Mild Mobility Concerns  Families

Sizes Available (LH & RH):
1700 x 850 x 700mm

RH door entry shown

FEATURES

- Effortless door operation
- Anti-slip finish to showering area
- Hydrotherapy Spa and chromotherapy lights options (*see page 32*)
- Toughened glass shower screen with bright silver pillar
- Water capacity: 225 litres unoccupied

Larimar

The ideal bath for any bathroom style, allowing for easy and independent access to bathing and showering for almost all family members.

The contemporary design ensures that style isn't compromised and the Larimar is a practical bathroom solution that the whole family can enjoy.

Perfect for:  Mild Mobility Concerns  Families

Sizes Available (LH & RH):
1700 x 850 x 700mm

RH door entry shown

FEATURES

- Modern L-Shaped design
- Inward opening 10mm thick toughened glass door
- Simple, single lever door locking mechanism
- Slip resistant base to shower area
- Dual waste for quicker drainage and safety
- Both LH & RH versions available
- Hydrotherapy Spa and chromotherapy lights options (*see page 32*)
- Toughened glass shower screen with bright silver pillar and handle
- Water capacity: 225 litres unoccupied

Olivia

Suitable for the entire family, this modern design features a low threshold door and a full width fold down seat for ease and versatility.

Perfect for:  Mild Mobility Concerns  Families

Sizes Available (LH & RH):
1700 x 750mm, 1800 x 800mm

LH door entry shown

FEATURES

- Low threshold door
- 8mm tempered glass access door
- 6mm tempered glass shower screen
- Fixed glass shower screen with hinged section
- Manual locking system with simple to operate push and pull mechanism
- Easy-click front & end glass panels
- Supplied with a cushioned headrest, a foldable seat and pop up waste
- Hydrotherapy Spa and chromotherapy lights options *(see page 32)*
- Water capacity: 1700 x 750mm; 250 litres unoccupied, 1800 x 800mm; 280 litres unoccupied

DEEP SOAK BATHS

Ideal for those with additional physical requirements, our Deep Soak baths offer an extremely safe and reliable way for those with mobility issues to immerse themselves in the luxury of a bath.

With attractive styling, and a built-in seat our Deep Soak baths all provide an extremely comfortable bathing experience, giving everybody the chance to relax.

Caversham

The Caversham boasts clean lines and a spacious interior, giving the opportunity for both style and practicality. The compact size of the bath means that it is also ideal for where space is limited. With a higher seat and deeper than average bath depth, the Caversham allows for maximum comfort.

Perfect for:  Additional Physical Requirements  Families

Sizes Available (LH & RH):
1210 x 660mm

LH door entry shown

FEATURES

- Slip resistant base
- Comfortable integrated seat with contoured back
- Seat height 395mm
- Overall internal depth of 795mm
- Removeable frame to aid installation
- Dual waste for quicker drainage and improved safety
- Both LH and RH entry versions available
- Hydrotherapy Spa and chromotherapy lights options *(see page 32)*
- Water capacity: 260 litres unoccupied

Athena & Athena Mini

Compact and the perfect alternative for when space is limited. With an integral contoured seat and generous space, the Athena is ideal for every member of the family, and with the Athena Mini we offer one of the most compact baths on the market.

Perfect for:  Additional Physical Requirements  Families  Smaller Room Size

Athena Size (LH & RH):
1270 x 660mm

RH door entry shown

Athena Mini Size (LH & RH):
1060 x 660mm

LH door entry shown

FEATURES

- Inward opening door
- Simple to operate single lever door locking mechanism
- Slip resistant base
- Comfortable integrated seat with contoured back
- Seat height of 370mm
- Overall internal depths of 660mm
- Removable frame to aid installation
- Dual waste for faster drainage and safety (Athena)
- Single waste and overflow for simple installation (Athena Mini)
- Both LH & RH entry versions available
- Hydrotherapy Spa and chromotherapy lights options (*see page 32*)
- Water capacity: 1270 x 660mm; 218 litres unoccupied, 1060 x 660mm; 200 litres unoccupied

Priya

The ultimate in modern, contemporary design the Priya is a safe and stable solution for bathrooms unable to fit a fully sized bath yet still wanting style at the forefront of the room. The Priya is the ideal deep soak for smaller bathrooms, with features such as an integral seat, wide opening doorway and robust single lever lock, the Priya bath is able to provide a deep soaking luxurious bathing experience.

Perfect for:  Additional Physical Requirements  Smaller Room Sizes
 Independent Bathing

Sizes Available (LH & RH):
1210 x 660mm

LH door entry shown

FEATURES

- Inward opening 10mm toughened glass door
- Simple to operate single lever door locking mechanism

- Dual wastes for faster drainage and safety
- Hydrotherapy Spa and chromotherapy lights options *(see page 32)*
- Optional seat extension for increased height
- Water capacity: 260 litres unoccupied

Additional Peace of Mind

Did you know we offer a 5 year manufacturers warranty on all of the baths that we produce? From the date of delivery, should you find any fault with your product, you can get in touch with our Customer Services team and we will do all we can to rectify the problem. When it comes to our Seat Lifts, the warranty covers the initial 12 month period for parts and labour only.

However, we would always encourage any customer to contact us with any query they may have... we have been hand crafting these baths for over 25 years so there's not much we don't know!

Tranquility *Slide-in*

As one of the most advanced deep soak baths in the industry, the Tranquility is able to offer an exceptionally spacious bathing area, complete with 800mm wide entrance. After two years of research and development, this bath offers a ramped seat that is 545mm high from the floor, ideal for unrestricted slide-in transfer from a wheelchair, without the need to step into the bath first. The door is also designed to shut effortlessly so this bath is ideal for those with arthritic hands too.

Perfect for:  Single Person Household  Wheelchair Users
 Arthritic Joints

Sizes Available (LH & RH):
1300 x 660mm, 1300 x 750mm

RH door entry shown

FEATURES

- Unparalleled ease of entry and exit
- Extra wide door and lower step-in threshold
- Advanced door and water seal system
- Unique horizontal/shallow drain for quicker exit
- 2 internal grab rails
- Slip resistant base
- Free standing and partly assembled for faster installation
- Maximum user weight (222kg)
- Available in 2 sizes: 1300 x 660mm and 1300 x 750mm
- LH & RH available
- Hydrotherapy Spa and chromotherapy lights options *(see page 32)*
- Water capacity: 1300 x 660mm; 285 litres unoccupied, 1300 x 750mm: 300 litres unoccupied

POWER BATHS

The Aventis bath is available with or without the Power Lift. Choosing to add the Power Lift to the bath ensures the safe and easy transfer of bathers in and out of the bath, giving those with more significant mobility issues the opportunity to enjoy a soak without the worry for those around them.

Aventis *Non Lift*

Providing easy access bathing for those who need it, the Aventis Walk-In Bath is perfect for any family bathroom. Inclusive for all the family, the Aventis features a slip resistant base to avoid unnecessary slips and trips as well as dual waste for faster drainage and safety. Single ended and available in left and right hand functions, the Aventis is the ideal family bath.

Perfect for:  Mild Mobility Concerns  Families

Sizes Available (LH & RH):
1690 x 690mm

RH door entry shown

FEATURES

- Inward opening door
- Effortless gadget free door locking mechanism
- Slip resistant base
- Dual waste for faster drainage and safety
- Both LH & RH entry available
- Hydrotherapy Spa and chromotherapy lights options (see page 32)
- Water capacity: 188 litres unoccupied

Simple to use power lift

Gives the ability to gently lower and raise bathers in and out of the bath, with an integral powered lift seat that has fold down arm rests for support too.

Aventis *Power Lift Bath*

Designed with a powered seat, the Aventis Power Lift Bath can provide a safe and independent bathing environment for everyone, especially if you have difficulty in getting up and down. The easy to close, inward opening door gives easy access, whilst the powered seat takes the worry out of lowering and lifting, gently getting bathers in and out when they want.

Perfect for:  Significant Mobility Concerns  Independent Bathing

Sizes Available (LH & RH):
1690 x 690mm

RH door entry shown

FEATURES

- Easy access via inward opening, gadget free easy close door
- Integral, full size, contoured seat with fold down arm rests for bather comfort and support
- Low step height
- Power lifting and lowering up to 150kg
- Specially moulded bath designed to complement the seat, allowing for extra bathing depth
- Same capacity and size as conventional baths – no extra room required
- Safety features include automatic battery back-up in event of mains power failure
- Slip resistant base
- Twin pop up waste for faster drainage
- Easy installation of powered lift – fits onto bath sub-frame with no special requirements
- Hydrotherapy Spa and chromotherapy lights options (see page 32)
- Both LH & RH entry versions available
- Water capacity: 188 litres unoccupied

RAILS & ACCESSORIES

Our range of brassware has been developed with the wellbeing and safety of the whole family in mind, but particularly for those who are a little unsteady on their feet.

With our range of stainless steel grab rails and accessories, we ensure a high quality, reliable product but one which fits into any bathroom seamlessly as the style and form is just as high a priority. The classic stainless steel is easy to clean and has a long life guarantee too.

PRODUCT FEATURES

- Active antimicrobial protection
- Eco-friendly
- Colour stability after long time use
- Ultimate tensile strength
- No deformation in case of moisture
- Non-porous smooth and strong coating
- Electrostatic charge free
- Recyclable
- All fixings are concealed, making the product aesthetically pleasing too
- Resistance to wear

Rails

Straight safety grab rail

- Sizes Available: 385, 537, 994mm

Our range of grab rails have been designed to enhance the shower or bathroom without looking institutional or clinical. They offer a warm and homely feel to the bathroom environment, and the two tone chrome and colour is both stylish and practical. All fixings are concealed, making the product aesthetically pleasing too.

Side folding safety support

- Sizes Available: 650, 750mm

This range has been developed to offer safety support to the growing ageing population and improving quality of life. It is elegant and discrete but safe and strong. All fixings are concealed, making the product aesthetically pleasing too.

Vertical grab rail with shower head holder

Our slider grab rail includes a single handed operation shower head holder, for those who have limited hand use. These rails are produced in a 994mm length and are suitable for a person sitting in the shower area but also suitable for a person standing, and add to assisting others in showering. The rail incorporates a stylish shower handset holder, which is designed for use with one hand, by gently squeezing the handle to increase the height, or lower the shower head.

Seats

Fold down shower seat

Slightly wider than the average shower seat, this new product from Mantaleda has a slimmer design so as it folds against the wall it protrudes by only 70mm. A small water outlet hole is in the centre of the seat which prevents water filling the seat area. All fixings are concealed, making the product aesthetically pleasing too.

Adjustable bath seat

- Sizes Available: 800x334x162mm
- Maximum weight capacity: 150kg

This great removable chair has an expandable width of 66cm to 80cm, allowing all bathers to sit comfortably. Coated with biocompatible, warm-to-the-touch white vinyl.

Fixed bath seat

- Sizes Available: 700x308x153mm
- Maximum weight capacity: 150kg

Coated with biocompatible, warm-to-the-touch white vinyl.

SHOWERS & ACCESSORIES

Our range of showers have been developed to work hand-in-hand with our baths to offer maximum safety.

CUBE DELUXE

Geometric and minimalistic styling define the Cube Deluxe showering range. Combined with its thermostatic protection and innovative features to aid installation, it's a popular and reliable choice time after time. This range has all you need for a great looking bathroom that is also as safe as it can be!

All Cube Deluxe bar showers feature proven anti-scald thermostatic technology.

Showers

Cube Deluxe Safe Touch Single Shower

Cube Deluxe safe touch thermostatic shower with flexible slide rail kit, smooth hose and push button handset.

Accredited TMV2 approval from BuildCert. WRAS approved.

Cube Deluxe Safe Touch Double Shower

Cube Deluxe safe touch thermostatic shower with adjustable riser, large stainless steel overhead soaker, push button handset and smooth hose.

Accredited TMV2 approval from BuildCert. WRAS approved.

Accessories

Cube Deluxe Safe Touch Bath Shower Mixer

Cube Deluxe safe touch thermostatic bath shower mixer supplied with deck mounting legs, flexible slide rail kit, push button handset and smooth hose. The perfect addition to any bath, this mixer gives fail safe protection on both the hot and cold supplies. Supplied with bath connectors so can be either wall mounted (shown) or bath mounted.

Features & benefits of the Cube Deluxe range

SAFE TOUCH BODY

The constant circulation of cold water under the surface of the valves ensures the surface will never be hot to touch.

TELESCOPIC RISER

Allows the height of the riser to be easily adjusted and fixed according to requirement. The riser can also be adjusted horizontally to accommodate uneven walls.

MULTI-FUNCTION HANDSET

With 3 different functions, you get to choose.

Spray

Aerating Spa Jet

Spray + Aerating Spa Jet

SMOOTH SHOWER HOSE

There are a number of benefits to a smooth shower hose, from the ease of cleaning - as limescale cannot build up - through to it being kink and leak proof. It also offers a safer shower as it avoids nips and fingers getting caught.

SHOWERS & ACCESSORIES

Our range of showers have been developed to work hand-in-hand with our baths to offer maximum safety.

CLASSIC DELUXE

The Classic Deluxe range is the ultimate combination of form and function featuring safe touch valve bodies and our proven anti-scald thermostatic technology. Give yourself peace of mind with our Classic Deluxe range that also has the benefit of looking pretty sleek too!

All Classic Deluxe bar showers feature proven anti-scald thermostatic technology.

Showers

Classic Deluxe Safe Touch Single Shower

Our Classic Deluxe shower has a thermostatic safe touch bar, ensuring no scalds or nasty surprises while showering! With a flexible slide rail kit, the shower can be any height to suit the user, perfect for the whole family. Plus the push button handset allows easy grip and the smooth hose avoids any water and dirt build up - great for easy cleaning too!

Accredited TMV2 approval from BuildCert. WRAS approved.

Classic Deluxe Safe Touch Double Shower

The Classic Deluxe double shower has a large static overhead soaker that gives a rainfall effect but then a handy telescopic riser for easy use. The push button handset makes the choice of water flow simple and a fun feature for all the family. This shower is extremely easy to turn on and off, as well as control temperature given the carefully designed handles.

Accredited TMV2 approval from BuildCert. WRAS approved.

Accessories

Classic Deluxe Safe Touch Shower Mixer

Classic Deluxe thermostatic safe touch bar shower with push button handset and smooth hose (no slide rail kit). This shower mixer will never be hot to touch as it had a constant circulation of cold water under the surface.

Accredited TMV2 approval from BuildCert. WRAS approved.

Vertical grab rail with shower head holder

Our vertical grab and shower slide rail offers additional peace of mind allowing users to steady themselves whilst under the shower.

The vertical grab and shower slide rail should be bought with the Classic Deluxe Safe Touch Shower Mixer (left).

The vertical grab and shower slide rail can also be bought with any of our single outlet showers as an alternative rail.

Features & benefits of the Classic Deluxe range

SAFE TOUCH BODY

The constant circulation of cold water under the surface of the valves ensures the surface will never be hot to touch.

TELESCOPIC RISER

Allows the height of the riser to be easily adjusted and fixed according to requirement. The riser can also be adjusted horizontally to accommodate uneven walls.

ADJUSTABLE FIXING POINTS FOR RISER

Allows the installer to set fixing centres accordingly for specific installation.

PUSH FUNCTION HANDSET

With an Aerating Spa Jet function you can choose the setting just right for you.

Spray

Aerating Spa Jet

Spray + Aerating Spa Jet

HYDROTHERPAY SPA

If you are looking for your Mantaleda bath to be a true escape, where you can relax and recuperate on a regular basis, why not consider adding a Hydrotherapy Air Spa to your bath?

Our Aquair Air Spas can relax your muscles, improve circulation and can be a beneficial aid in relaxation, health and well being.

AQUAIR

Our Hydrotherapy Air Spas with 4 speed options can be fitted on all our baths. With 12 strategically positioned jets our spa is designed to eject a proliferation of bubbles to provide an invigorating but gentle massage and enhance your bathing experience.

12 jet
Air Spa
system

QUALITY ASSURED

Each component part that makes our systems is 100% quality assurance checked prior and during the installation onto the bath by fully trained and approved operators.

CHROMOTHERAPY

Why not benefit from the relaxing therapeutics of colour therapy. Immerse yourself and create an ambiance of tranquillity for relaxation and well-being with our chromotherapy LED bath light.

7 colours to choose from

From a single light source you can choose any of 7 colours or even a soothing fading effect that scrolls through the colour range.

Immerse yourself

Permeating the entire water space in the bath – immerse yourself in colours in an ambience of tranquillity.

Benefits of coloured light therapy

Chromotherapy can provide an opportunity for relaxation of the mind and assist well-being.

Ask us for more information on how Hydrotheraphy Spa & Chromotherapy can enhance your bath.

FAQs

Q. HOW DO I KNOW A MANTALEDA BATHING PRODUCT WILL BE SUITABLE FOR ME?

A. Since making our very first bath back in 1998, we have only ever produced baths and products that make your life easier.

When it comes to bathing we believe it is a natural way to relieve stress and help tired, aching muscles and think that bathing should be accessible to all, no matter what your age or physical ability.

If you struggle to get in or out of the bath, worry about loved ones not being able to bath independently or want to install a bath that can last for many years then we definitely have a bath to suit you.

If you make a list of your specific needs or worries in a bathroom, this can help you identify the type of bath you need and is a great place to start when visiting a showroom or speaking to an advisor remotely.

Q. IS GOVERNMENT ASSISTANCE AVAILABLE?

A. You may be eligible for government support to purchase your bathing solution.

It is recommended that you contact your local authority to find out further details. Please note timescales from one area of the country to another may vary and this is a means tested service.

Q. IS THERE A GUARANTEE ON THE MANTALEDA PRODUCTS?

A. All of our products come with a 5 year manufacturers warranty.

We are proud that all of our baths are hand crafted in North Yorkshire so if there are ever any issues, we want to know about them! Our Power Lift bath has a shorter warranty for the lift mechanism (12 months) but we are always at the end of the phone to help with any technical queries you might have.

CUSTOMER CHECKLIST

We know that there are many factors to consider when purchasing a new bath. Outlined below are some key points to help you make your decision;

✓ YOUR PRIORITIES

Assess your current and future physical needs. Is anything worrying you right now? In future would you prefer to have a deep soak in warm water or prefer to lie back?

✓ BATHROOM USE

Is the bath to be used by a wide range of people? If so, what are their needs? Is it just for a one person household?

✓ BATHROOM SIZE

Consider layout and dimensions/measurements. Where will the bath be placed in the room? What other items would you like in the bathroom e.g. stand alone shower, toilet, single or double basin, space for a radiator, grab rails etc.

✓ BATH DIMENSIONS

Think about length, width and shape. Can you increase the size of your bath? Do you need to decrease your size of bath?

✓ MATERIALS

Manteda manufacture composite baths with both composite and glass doors. The glass looks great but if you prefer to have a solid door, then both options are available.

✓ ACCESSORIES

What else you do need to help you feel more stable in the bathroom? Do you think anti-scald mixer taps would be worthwhile? How many grab rails are needed and where? Would a bath seat be useful?

Ask us for more information and advice on which bath would be perfect for your needs.
